What are the iSold It Motors Details?

1. Your Personalized Appointment

You'll set an appointment with one of our iSold It Motors consultants. You'll bring your vehicle to our location where an iSold It Motors professional photographer will take between 20 and 30 photos of your vehicle. During this appointment you'll also sit down with our experienced staff and create an account, review all the details about your vehicle, and receive personalized advice about how best to market your vehicle on eBay. Please allow approximately 2 hours for this all-inclusive appointment.

2. Your Vehicle Listing

After your appointment, your iSold It Motors consultant will be working diligently behind the scenes enhancing the photos, writing the descriptive copy, and processing all the information necessary to get your vehicle the maximum exposure on eBay. This process takes approximately 48-72 hours.

3. Let the Auction Begin!

With all the information compiled, your iSold It Motors consultant will post your vehicle on eBay under the account you created (or provided) during your initial appointment. Your auction will now be live on eBay for a full 7 days!!

4. Your Role

Once the auction has been posted on eBay, you will begin to receive emails and phone calls from prospective buyers who will have questions about your vehicle. We strongly recommend that you answer these pre-sale questions in a timely manner. It is not uncommon for a potential buyer to fly thousands of miles to see YOUR vehicle!

After the auction has ended, you will be responsible for closing the transaction with the buyer. This typically involves receiving payment and the transfer of title. Unless you specifically tell us otherwise during your appointment, all of our iSold It Motors auctions will list the following terms for YOUR protection:

Payments for the vehicle can be made by cash, cashiers check, and bank wire

You do not accept personal checks or credit cards

10% deposit due within 3 days, remainder due upon pickup or delivery within 7 days

This vehicle is sold as is without guarantee or warranty

Vehicle is for local pickup only from Orland Park, IL. If shipping, ALL arrangements and costs are the buyer's responsibility.
